### Florida NPs- New Mandatory CE Requirement

---

#### SAFE PRESCRIBING OF CONTROLLED SUBSTANCES

Florida NPs- Florida has implemented a requirement that all Florida NPs must have a minimum of 3 hours of CE related to controlled substances in order to renew your NP license, effective immediately. The Nurse Practitioner Healthcare Foundation and Contemporary Forums partnered to present 3 live conferences on this important topic in Florida in October. **Should we do it again in 2017?** Click [here](#) and help us decide where and when to present the excellent CE program, "Safe Prescribing of Controlled Substances," featuring the nationally- known faculty, Alan Agins, PhD and Jody Agins, MSN, FNP/GNP-BC.
