

Personal Statement

- Instructions:**
- Limit your response to 150 words per question.
 - All responses must be typed on this form.
 - Attention will be paid to spelling, syntax, and grammar.

- 1) Describe your experience as a nurse and as a volunteer in providing care for underserved and/or multicultural patients, groups, or communities and how you feel you have helped reduce healthcare disparities and/or improved the health of your patients in the community while you have been in school. (limit 150 words)
- 2) Goal Statement (limit 150 words): Describe your vision for your future practice. How will this practice contribute to the community/communities you plan to serve? Give examples of what services you plan to achieve. Please be specific.
